

PRINTING DIRECTLY ON DISCS

Please fill out this form and send with any order or email to TELEFILMTRANSFERS@GMAIL.COM

Printing directly on DVD, Blu-ray, or CD discs is as easy as filling out the form below. Make sure all letters are on an underline. Please use an underline as a spacer between words. Titles have a limited number of letters so make sure titles fit the layouts below. The amount of text will determine the print size. Each two hour disc should have its own printing form.
